Stablehand Wounded as Gun Goes Off Accidentally

GROVE CITY, Ohio, May 4. — Danny Davis, 17, of Columbia, N. C., a stablehand in the employ of James Bronnenberg at Beulah Park, was admitted to Mt. Carmel Hospital in Columbus after he was wounded in the throat when a .22-caliber automatic rifle held by a co-worker discharged accidentally. The accident happened in a tack room in the Beulah stabling area.

Franklin County sheriff's sergeant James Potts investigated the incident and said the shotting appeared to be an accident.

Lyman Woods, 17, of Hamilton, Ohio, told Potts he picked up the gun and started to examine it, believing it was unloaded. The gun discharged, however, and the bullet struck Davis in the chin and lodged near his windpipe.

Another 17-year-old, James Smith, Urbancrest, Ohio, witnessed the shooting and substantiated Woods' story, Potts said.

Mt. Carmel Hospital attaches reported Davis' condition is good.

Green Leaves for Beulah

ASCOT PARK, Cuyahoga Falls, Ohio, May 4.—Henry Green, managing director of the Ascot Park Jockey Club, departed over the week-end for Beulah Park where he fills a like position. Green will then proceed to River Downs where he is in complete charge of operations. Green reports that a new pressbox has been built at the Cincinnati track that is the last word in modern design. Another new addition and a quite welcome one is the building of an elevator that is for the use of newsmen and officials.

BONUS BOY saved ground to no avail. GIACOMO lacked early speed. VAGUE quit. JEEP SUPPLY was unable to keep up. BABY PAULY was through early.

Note: Except in races of the shorter distances where the first call is pre-stretch or stretch and for which the start call is used, the first point of call after the start (at the quarter mile mark in most races) is given in races on or after January 1, 1948. Past performances for races run prior to that date give each horse's position at start, instead of first point of call.

Positions of first point of call and pre-stretch call vary according to distance of race. Speed ratings are given all races, including turf races, with exception of steeplechase and hurdle events. Ratings are given from distances of three furlongs and over. No ratings for two-furlong races.

Claiming races are indicated by price after jockey's name. The superior letter (o) just before the claiming price indicates horse was in optional claiming race, but he was NOT *entered to be claimed.*

Racing Board Proposal Not Approved by Robinson

LOS ANGELES, Calif., May 4.—C. Ray Robinson, spokesman for the Horsemen's Benevolent and Protective Association in its current dispute with Hollywood Park in the matter of purse distribution, sent the following telegram from Louisville Saturday to Jerry O'Brien, manager of the West Coast division of Daily Racing Form: "Am advised that it has been reported that I talked with Dwight Murphy and that I had expressed approval of the Murphy purse schedule. Both are false. I have not spoken with Mr. Murphy since leaving California and never expressed approval of his formula. Am satisfied that Mr. Murphy will confirm this."

Dwight Murphy, chairman of the California Horse Racing Board, was contacted and stated the contents of the telegram were correct, that Robinson had not expressed approval of his formula, nor had he talked with him since leaving for the Derby.
